## Coleman and Blairmore Boards of Trade Hold Joint Meeting

BLAIRMORE — A joint meeting of the Blairmore and Coleman Boards of Trade was held in the Greenhill Grill in Blairmore Monday evening when Garry Griffin, Alberta Manager of the Chambers of Commerce and Agriculture, of Red Deer was present and gave an address.

Introduced to the meeting by Rollie Hill president of the Coleman Board of Trade, Mr. Griffin presented an interesting talk on the work operation and functions of Boards of Trades and Chambers of Commerce. His remarks pointed out that these organizations played an important part in any community where they were organized and also added that the groups were not only interested in bettering business but also in promoting many community projects and work. He elaborated on the functions of the Alberta Chamber of Commerce and Agriculture relating statistics on the number of Boards that belonged to the main body.

In referring to the Annual meeting of the Alberta Association of Chambers and Agriculture, held last May, Mr. Griffin pointed out that a resolution that originated the Blairmore Board of Trade had been discussed. This resolution he said dealt with the Coal problem and suggested that the Federal and Provincial Governments take steps to consider further assistance to the Coal industry. The resolution he said was adopted by the Associated Chambers of Commerce and since has been discussed with the Alberta Government. The resolution was also taken to the Federal government and although only a letter of acknowledgement that the resolution had been received and would be presented to the Minister has been received so far, it was Mr. Griffin's belief that the resolution would be heard and was at present stirring things up. The resolution was brought to the Annual meeting by Art Plante and John Kerr who represented the local Board at the meeting. In concluding his address Mr. Griffin pointed out that he felt that the Province of Alberta had many potentials which would soon lend themselves to more and larger industries. The speaker was given a hearty vote of thanks for his informative talk.

John Kerr of Frank representative of the Crow's Nest Pass Tourist Association was then called upon and gave a short talk on the Annual meeting by Art Plante and John Kerr who represented the local Board at the meeting. In concluding his address Mr. Griffin pointed out that he felt that the Province of Alberta had many potentials which would soon lend themselves to more and larger industries. The speaker was given a hearty vote of thanks for his informative talk.

sociation would be held in Fernie, B.C. on February 6th when an election of officers would be held. He extended an invitation to The Pass Business people to attend this important meeting so that further steps to publicize the area from Fort MacLeod to Cranbrook, B.C. could be made.

In addition to his talk Mr. Kerr mentioned the fact that the Government bridge crew are at present building a bridge over Gold Creek at Frank in order that the old road may be used as a detour when the work on the new highway through the Slide begins. Since the grave of a number of Frank Slide victims has been completely repaired and a monument set up at this point, Mr. Kerr suggested that a letter be drafted and sent to Gordon Taylor, Minister of Highways requesting that the bridge over Gold Creek be left standing after the work is done so that tourists may have access to visit the gravestone and the other points of interest in the Slide. Feeling that this was an excellent suggestion, a motion was passed that this be done.

A short business meeting was then held when it was disclosed in a report by Norman Lind that to date four candidates had been entered in the Crow's Nest Pass Carnival Queen Contest sponsored by the Blairmore Board of Trade. The report also showed that 400 posters had been printed and distributed all over Alberta and B.C. and other points. There will be no parade for the Winter Carnival this year but many other items have been arranged for to replace the parade. It was reported that a festive evening would be held in the Elks Hall on Friday evening which would be highlighted by Addresses from local mayors, Skits and Dances and song by the Blairmore Slovak Society and the Italian Society who will be in their national dress. The Coleman Pipe Band under direction of Pipe Major J. Moore and the Crow's Nest Pass Band will also be in attendance and play a number of selections. The crowning of the queen will also take place during the evening and it is understood that a new crown will be made for the new queen. A dance sponsored by the Crow's Nest Ski Club will complete the Friday activities. It was also reported that weather permitting that the local bandstand will be frozen over and decorated with colored lights to resemble an ice palace. The window decorating contest for school children is also well underway and many of the windows are being colorfully decorated with winter scenes. A report from the ski club indicated that plans have been completed for the annual ski tournament and that arrangements have been completed to have the course for the races set out by a well known skier.

To conclude the successful meeting president T. J. Costigan expressed a vote of thanks to the speakers and to the Chairman of the various winter carnival committees who were doing an excellent job. S. G. Bannan on behalf of both Boards of Trade thanked Mr. Griffin for his address.

T. E. Chester, left, manager of the Canadian Pacific Railway's Empress Hotel at Victoria, B.C., will retire at the end of January under the company's pension regulations, it was announced by R. A. Mackie, general manager of hotels. He will be succeeded by Cyril Chapman, right.

## Campaign To Relieve Seasonal Unemployment

At this time of year throughout most of Canada, employment offices have a number of unemployed persons registered for work. These workers are unemployed, not through lack of skill or ambition but because of the fact that they have been employed in industry that has curtailed operations or have been closed temporarily due to the fact that the type of work they were doing cannot be done in the winter months.

There are a number of stenographers, sales clerks, office clerks, janitors, mill and bush workers, carpenters, truck drivers and caterpillar and shovel operators and general labourers registered with the N.E.S. in Blairmore and there is no better time than the present to fill any vacancies that may exist in the different business establishments and industries in the area because of the selection of workers available. Too, there are many odds jobs of remodelling and repair that could be done now rather than postponing them for the spring. This would help ease the burden of the unemployed and at the same time the job could be done while there is sufficient labour available. Later on in the spring, there is usually a demand for carpenters and repairmen and that job you were postponing for spring or summer may have to be postponed still further due to a lack of labor when you require it. Anyone contemplating any work project should analyse their job requirements and if at all possible "DO IT NOW".

Fred Krish, of Calgary visited with his parents Mr. and Mrs. Laddie Krish last week.

## "I Like It Here" Enjoyable Play

The hundred or so people who turned up at the High School Auditorium last Tuesday evening were well rewarded for their effort. Dean Goodman and his Great Plays Company in "I Like It Here" provided an evening of entertainment that was sheer joy in every act, and that goes for the words and even the pauses too.

Goodman is an actor who knows when to punch out a laugh—and when to let it ride. It would take a better man than this scribe to tell which was which at any given time because the ripples and roars came fast and thick—and how can you make notes when you are laughing too hard to see?

Let anyone should get the idea this was a one man show, let's get on with it and say the rest of the company were right along with him at any and all times, providing a quality of teamwork that could almost be called a miracle on such a small acting area. It's an excellent cast, with plenty of assurance and a pleasing way of leading their victims to the laughter.

If the company was disappointed in the size of the audience, it must certainly have been pleased with the quality. For one whose fare of live theatre has been woefully meagre for a long time now, the response was whole hearted and discerning. And for a company first—nighting, in what must seem to them an out-of-the-way corner, the enthusiastic curtain calls must have been somewhat satisfying.

It was an evening of skilled and pleasing entertainment and it is to be hoped that some way will be found to bring this organization back to Coleman with their next production so that everybody can see and enjoy them.

## Local Hockey Teams Still Going Strong

### Grands Defeat Michel-Natal 7-6

Coleman Grands remained on the victory trail Thursday night beating Michel-Natal 7-6. It was the second Coleman victory over the B.C. club in as many games.

#### Scoring Summary:

Coleman — Belter (Kryczka) (Tarcon, Belter) McDonald (Scodellaro, Filewich) Lee (Biegun) McDonald (Filewich) Belter (Kryczka, Tarcon) McDonald (Scodellaro, Filewich). Penalties—Kryczka, Stewart, Lee, Biegun, Tymchyna, Biegun, Belter.

### Grands Defeat Raymond 8-6

Playing on soft ice and without the services of Bassetti, Biegun or McDonald, Coleman Grands won an exhibition tilt against Raymond by a score of 8-6.

Kryczka scored from Tomlins at 2 minutes, Martin tying it up unassisted at 12. Lee scored on a play with Cerney at 14:20, Harold tying it again at 16:10. Eddie Belter put Coleman ahead at the end of the period, scoring from Tarcon and Kryczka at 16:50.

Harold scored for Raymond at 8:45, Coleman following this with a four goal spree by Tomlins from Lee and Cerney, Kryczka from Tarcon and Belter, Tymchyna from Scodellaro and Tymchyna from Filewich. The only penalty of this period went to Robinson on Raymond.

Bartosek scored from Cavers at 3:10 and Helgeson unassisted at 4:13 of the third as the Raymond club tried to cut Coleman's lead. Tarcon closed the scoring for Coleman on a play with Kryczka. Cavers getting the sixth for Raymond from Bartosek. Penalties—Tarcon, and Tomlins (2) of Coleman, and Iles and Helgeson of Raymond.

The report of the Coleman-Kimberley game played last Saturday will appear in our next issue.

## Pythian Sisters Hold Regular Meeting

At the regular meeting of the Pythian Sisters, January 12th, the following slate of officers was installed for 1955, with Sister Mary Kosma as installing officer, ably assisted by Ethel Hill, and Amy Penney, the interesting part of the evening was that Sister Kosma was installing her daughter Rose Lant into the office as Most Excellent Chief, who will head the officers for 1955.

Sister Nettie Bayon, Past Chief. Sister Helen Hopkins, Ex. Senior

### Juvenile Hockey

Coleman Juveniles under coach Joe Gettman edged out the Blairmore club 9-6 in a clean fast contest here on Sunday. Coleman led the scoring 3-1 in the first, and 6-5 in the second. These same two clubs will meet in a match at the Coleman Arena on February 5th as part of the Winter Carnival activities.

Credit was due Archie Hobson, coach of the Blairmore club for his exemplary manner in asking both clubs to play hockey as it should be and play it clean.

#### SUMMARY:—

1st Period — Coleman — Kapelka from Zembiak; Makowichuk from Tymchyna; Zembiak from Tarcon. Penalty to Houda.

Blairmore — Anderson from Gilbert.

## "Rear Window"

James Stewart, photographer for a national magazine, sits in the rear window of his Greenwich Village apartment, confined to a wheelchair with a broken leg. From here he can observe the occupants of several other apartments, including Raymond Burr, a jewelry salesman, who is constantly quarrelling with his invalid wife; a young composer, a ballet dancer, a former vaudeville villain and a couple of honeymooners. Stewart is visited by Grace Kelly, a slick Park Avenue number who is crazy about him. As time progresses, Burr's action arouse Stewart's suspicions and he begins to wonder if the salesman has murdered his wife, but his belief is scouted by an old buddy, Wendell Corey, a detective. However, Grace, at the risk of her life, uncovers concrete evidence of Burr's guilt; Stewart survives a murderous attack by Burr, and the case is over.

## "Julius Caesar"

Rome in 44 B.C. is prosperous, but there are hidden fires of political dissension since Julius Caesar (Louis Calhern) has appointed himself permanent dictator. Chief among his supporters is Mark Antony (Marlon Brando), while there is also a party of frustrated "outs" and a middle-ground group led by Brutus (James Mason). A conspirator against Caesar, Cassius (John Gielgud), tries to enlist Brutus in the plot while Caesar and other Roman citizens flock to the stadium to observe a pagan feast day. The blow is to be struck on the Ides of March. Brutus agrees to participate in the assassination. Caesar, led to believe that the formal offer of a crown awaits him, goes to the senate, where he is stabbed to death. At the funeral oration, Mark Antony arouses the citizenry to threats of vengeance; civil war ensues, Cassius is slain and Brutus commits suicide.

## CASE OF THE CLOSED DOOR

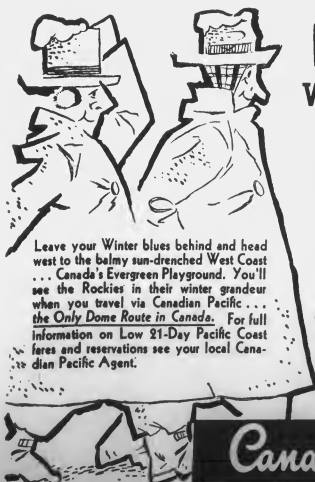

Every winter, there is the usual list of victims of carbon-monoxide poisoning, generally drivers who have tried to start the car in a closed garage or else have sat in the car with the engine running and all windows closed. These dangerous fumes are odorless, tasteless and invisible. As they escape, they may permeate the car and the victim may never realize that he is being affected. Even when travelling in the coldest weather, the car should be ventilated by having one or more windows open a little. And, of course, the motor should never be running in a closed garage.

## Prayer For The Prairie People

God of the prairies, by Thy boundless grace,  
Give us the strength to build a worthy race,  
That shall not lose its steadfast faith in Thee  
Through all the winds and halls of destiny.  
Grant us such breadth of vision,  
that our eyes,  
Scanning the wheat that meets the flaming skies  
Far in the West, may never be made blind  
Through selfish aims or narrowness of mind.

Modern advertising is a necessity to hold and build business. Be proud of your business, of the goods you have to sell, of the services you have to offer in your particular line. Show the progressive spirit and the desire to serve by advertising. Do not hide your light under a bushel — proclaim far and wide who you are and what you have to sell and where your place of business is, for public memory is short, and advertising is a powerful aid to all types of businesses. Moreover, people as a general rule shop where they are invited.

### 35th Alberta Tuxis Parliament

First I wish to thank all those who made my wonderful trip to Calgary possible. The 35th session of the Alberta Tuxis Parliament has left a deep impression in our memories. The name Tuxis has a deeper meaning than many people realize, Tuxis T-U-X-I-S. The "T" and the "S" stand for Training for Service, the "U" and "I" stand for you and I and the "X" in the centre stands for the Greek word CHI which means Christ. Summing this up it means — You and I training for service with no one between us but Christ. Because of the meaning of the word TUXIS the name of the parliament has not been changed to the name of Older Boys Parliament which it is in the other Canadian provinces. We believe that this keeps the standard of Tuxis Parliament up to the standard of Tuxis squares which have been formed through out the province.

Once again referring to Tuxis the theme for the 35th Tuxis Parliament was Serving In His Steps. The foundation of the Tuxis movement is found in Luke 2:52 and Jesus increased in wisdom and stature and in favor with God and man. Our thoughts were on Christ with devotions in the morning and vespers at night. These vespers were conducted by members of Parliament under the direction of Dave Edwards, Minister of Devotions. Our morning devotions were held in Scarborough United Church as were most of our other morning activities. The vespers services were held in the beautiful new Chapel of Central United Church.

At the first session of our Parliament greetings and best wishes were very proudly received by our premier, John Cashore, in the form of telegrams from the Rt. Hon. Prime Minister Louis St. Laurent and the Hon. E. C. Manning, Premier of Alberta, along with those from premiers of Older Boys Parliament throughout Canada.

The largest debate of the Parliament session was a resolution suggesting that conscription be adopted in Canada on a two year basis. The resolution which was proposed by the Government was read by the Lieut. Gov. Mr. Justice C. J. Ford during the reading of the speech from the throne, at the opening session Monday in the City Hall. The debate which lasted well over two hours was defeated by a standing vote, with 36 members in favor of conscription and 43 against.

Another debate which was on a fairly large scale was the resolution regarding Crime Comics. It was resolved by the members to refrain from reading this literature and discourage others from doing so. It was urged that these books be stricken from the market where ever possible. An amendment to the original resolution stated that crime, fantasy, mystery, war and love comic books be condemned rather than those featuring crime. A further amendment to have classic comics included in the list was defeated. This debate lasted about one and a half hours. A copy of this resolution was sent to the Prime Minister of Canada and the Federal Minister of Justice.

Due to the fact that our speaker, Bill Sayers, and the Minister of Alumni Affairs were absent from one of our sessions, because of an engagement with a fair member of the opposite sex, a resolution of Romance was introduced by the Minister of Publications, who to start something named as his second the Hon. Min. of Alumni Affairs. He seconded the motion, but in doing so also stated that he hoped the motion would be defeated as it would affect not only himself but also the other members of the Parliament. He said he was sure that the members of Parliament did not wish to seek the authority of the Parliament to date their girls. It seemed that he brought out his point as the resolution was unanimously defeated although there was a strong protest from the speaker.

Resolution Re Racial Discrimination proved that the members of this Parliament were thoroughly against it. One of the members stated that he belonged to a school where the members (made up of many nations of the world) and got along happily together in a

table tennis club. He said he saw no reason why the nations of the earth could not get along as agreeably as did the members of their club. Another outstanding example was taken from an Edmonton school where the people of that district lodged a protest to the principal to make a ruling that a Negro boy attending the school and mixing socially with the boys and girls of that school was not to be allowed to do so. The students were so upset that they forced the principal to make a public apology, and to literally throw out the rule. Therefore, anyone who thinks Canada is free of racial discrimination may be proven wrong by examples such as these.

In tribute to the late Senator W. A. Buchanan who has been Lieut. Gov. of the Tuxis Parliament the last three times it has been held in Lethbridge a one minute silence was observed by the member of the session. A copy of this resolution was sent to the Lethbridge Herald of which he was owner and also a copy was sent to his widow.

The final session of Parliament was devoted to resolutions of thanks and special thanks to various Calgary business men and firms. It was through their support our Parliament was a huge success. A total of over \$3,000 was spent on us. As a reminder of last year's Parliament we all received Tuxis pins and a Parliament picture taken on the steps of the Calgary City Hall. At the closing C.G.I.T. Tuxis banquet on Thursday democratic principles explained in detail by J. Rodger Flumerfelt, chairman of the Parliament committee.

It was resolved by the Parliament to make it a duty for every member to activate the youth of his church in an endeavor to train themselves to be leaders and to get boys of their acquaintance interested in attending camps.

After having taken Communion in Scarborough United Church, Jerry and I, along with many other boys from southern Alberta points left Calgary by bus at 7 p.m. on Friday.

Once again I wish to thank all those who made my attendance at Parliament possible.

MICHAEL HILL

First I want to thank all the organizations who donated the money to make my trip to the 35th Alberta Tuxis Boys Parliament an experience which I shall never forget.

There were over 90 boys from all over Alberta attending the Parliament so you can imagine the time we all had and the experience of meeting boys from all over the province. Although this was a great fellowship of boys there was bitter rivalry between Calgary and Edmonton as to which is the Oil Capital. All the boys from Edmonton wore silver oil helmets to prove Edmonton was the Oil Capital.

Last years parliament, I believe had more pomp and pageantry than any of the other 34 parliaments have had. The speaker wore a white wig with his black gown and three cornered hat. The Sergeant at Arms had a smart looking uniform like those worn at Canadian Parliament and even the Page boys had uniforms. To add to all this the H.M.C.S. Tecumseh brass band played appropriate music at the opening session. The sessions were held at the City Council Chambers which in themselves added much to the occasion just by the manner in which they are constructed.

The Tuxis Parliament as the Hon. Mr. Prudham said is in some respects ahead of the Dominion Parliament. The Tuxis Parliament is older by 13 sessions and it was televised before the Dominion Parliament.

Some of you may have read in the papers all the work Mr. Rodger Flumerfelt put into planning this Parliament but what you read by no means tells what a wonderful man he is. Of all the lectures and talks we had, which was about 32, Mr. Flumerfelt's was the most interesting and although it was over an hour long it went into the heart of everyone who heard him. During his humorous remarks at the beginning of his talks Mr. Flumerfelt said that he had promised the members of Scarborough Church, where we slept, and the people living around the church that it would be quiet

enough for them to sleep and the church would still be in the same place in the morning. He had just gone to bed at a quarter to twelve on Wednesday night when the chiming of the church began ringing. He ran down to the church as quickly as he could get there to inform the boys who were playing the organ that the chiming were ringing. All he got was a blank look and the word "Chimes".

At the C.G.I.T.-Tuxis banquet a mock court case was held in which Mr. Flumerfelt was charged with chiselling and persuading the Calgary business men out of the necessities for the Parliament. When the judge, who was John Cashore, asked Mr. Flumerfelt if he was guilty or not he said "That's for you to decide judge". Mr. Flumerfelt's talk was not all humorous though. He said that during our debate on Racial Discrimination he was thoroughly disgusted at the members for deleting the examples of the International Junior Chamber of Commerce and the Brotherhood of Christians and Jews as organizations which did not practice racial discrimination.

Some of the things Mr. Flumerfelt got for us from the business men were a truckload of Coca Cola from the Coca Cola Co., 60 turkeys and two busses from the Calgary Power Co., and enough milk for us from the Union Dairy. The milkman was late on Monday morning so we didn't have any milk then but we made up for it later on.

Scarboro Church took a beating during the week as watergates were standard equipment. "Pop" Johnson, the Rev. Morse Johnson woke us at seven every morning with a siren. You don't know how much better the siren sounds at noon rather than at 7 o'clock especially after you have had only six hours of interrupted sleep. It was even less than that the last night. Usually if you stayed up later than one o'clock you got a bath because that is when the water gun fights began. If you stayed in bed later than seven o'clock in the morning you were late for breakfast at eight as there were only a few sinks in the church where you could wash.

I couldn't completely forget home as the boys were divided into three groups. One washed dishes, another swept the dormitory floor, and the other swept the dining hall. Each group had a turn at every thing.

One of the most interesting lectures were the ones on public speaking.

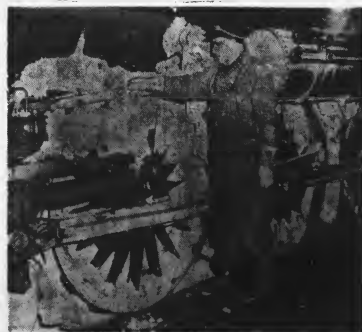

Through Mr. George Wallace's efforts we all had a ride in new 1955 cars. He organized a motorcade. The people of Calgary must have thought we were crazy as we had a motorcycle escort and went through every red light.

The purpose of Tuxis Parliament is to train the boys of Alberta to be leaders and it is doing this very well.

The meals we had at Parliament were at the Al San Club, Central, Knox, and Scarborough United Churches and were sponsored by the Lions Club, Junior Chamber of Commerce, A.O.T.S., Kiwanis Club, the Rotary Club, and the Woman's Association of the Calgary Presbytery.

On the last night of Parliament the outgoing premier, John Cashore and some of his friends put knives on the end of poles and cut down the sign which had been put over the door of the City Hall. John said he wanted it for a souvenir.

I have only mentioned a few

MONTREAL'S WHITE NEW YEAR'S WAS 15' DEEP

The weatherman's gift to Montreal and surrounding areas for New Year's was a 15-inch fall of snow. It stalled traffic, kept the less vigorous of revellers indoors and piled up so much snow on train tracks that locomotives attempting to plow through the drifts were either stalled or emerged surrounded with snow like a shroud. This engine had snow-packed right into the wheels.

## Personalities IN THE NEWS

Pioneer residents of Crownast and East Kootenay district, now living in Vancouver, are Mr. and Mrs. Frank Celli of 85 North Boundary road, who celebrate their 50th wedding anniversary today. They are entertaining at a reception at IOOF Hall, 396 Kamloops, for friends and family. Married at Buffalo, N.Y., they settled soon after at Coleman, Alberta. From 1920-44 Mr. Celli operated the Cherry Creek Orchard at Creston. Their daughter, Mrs. P. Marini, and son, Floyd, live here while another son, Corry, resides in Seattle. Mr. and Mrs. Celli have five grandchildren. (from the Vancouver Province)

P.S.C.R.S. Ian Thompson R.C.N. of Esquimalt, B.C., visited with relatives and friends here.

Mr. and Mrs. T. Holstead and Mr. J. Hanrahan, were Calgary visitors last week, attending the funeral of the formers aunt, Mrs. J. T. Kirkham.

A lovely shower was held in the I.O.O.F. hall Fri. Jan. 21 in honor of Mrs. Ken Moore nee Alice Bubernet, with about 65 guests present. The guest of honor was presented with some lovely gifts including a lane Cedar Chest, Whist and Bingo were played Whist prize winners being 1st Mrs. Jean Kubica, 2nd Mrs. Carmella. Door prize won by Mrs. Francis Tarimezuk.

Mrs. M. E. Cornett suffered an accident last Friday evening when she was hit by a car on No. 3 highway. We understand the injuries were not serious, but confined her to her home for a few days.

Mrs. W. Bennett from Armstrong B.C. accompanied by her sister Mrs. Brown from Vancouver B.C. are visiting in C.N. Pass, also her father who is a patient in C.N.P. Hospital.

Mr. Maurice Cook is a patient in the C.N.P. Hospital, his many friends wish him a speedy recovery.

Mrs. D. Herferd visited her father Mr. Smith last week.

Mrs. Bennett reports 4 or 5 feet of snow in Armsong area and traveled through deep snow that continues all the way down, she cannot get over the mild sunny weather Alta. is enjoying.

### CARD OF THANKS

I wish to thank all those who attended my shower or in any way helped to make it such a success. Special thanks to the hostesses. Mrs. B. Chernenky, C. Poulton, M. Ostrowski, M. Sokolowski, E. ### Unsatisfied Judgment Fund Shows Deficit

The Motor Vehicles Branch of the Alberta Highways Department reports the Unsatisfied Judgment Fund showed a deficit of \$36,706 for the nine months between April and December 31, 1954.

Expenditures during the period were \$363,991 while receipts were \$327,285. Expenditures were made up of \$87,262 in hospital and medical payments, \$241,887 in court damages, \$25,878 in court costs, and \$8,903 in miscellaneous payments.

The fund, financed by \$1 fees collected with each motor vehicle registration, provides for paying damages and costs awarded in court judgments arising out of motor vehicle accidents when the person found liable cannot pay the judgment.

Operations of the fund over the fiscal year, which ends March 31, 1955, will likely show a surplus.
